THE IMPORTANCE OF FRIENDS

Since 1983, the Friends Group has been an asset to the library and the community. Friends donations have funded library programs, prizes for children's events and the seed money for many special projects that the library budget cannot provide.

In 2002, the Friends helped in gathering support for the library's renovation and expansion. Mailings,

yard signs and other important efforts raised community awareness. Voters approved the building bond in November 2003 and the building and was completed and dedicated in October 2005. In 2007, the building received certification as *Michigan's First Green Library.*™

Friends Need Books

One of the primary sources of funding for the Friends is the book sales held every Spring and Fall. Book donations are always welcome, but remember that materials published within 5 years are more suitable for resale. Your book donations may be tax deductible and receipts are available on request.

Friends Book Sale

Friends of the Library host two books sales per year.

Volunteers Are Always Welcome!

And always needed! Friends is a program that operates entirely by volunteers. Therefore, if you have a few hours to spare, Friends is a great place to meet new people while contributing to your community. For more information, please leave your name and phone number with the library, and a Friends representative will contact you soon.
